Call to Order: 4:00pm

Hillary motions to accept the meeting minutes from October 3rd, Fred seconded the motion, all in favor.

Hillary motions to accept the nonpublic meeting minutes from October 3rd, Sharon seconded the motion, all in favor.

New Business:

End of Season: If all goes well, we may not need to have another meeting until February.

Folsum Stones: Some of the stone bases needed to be built because there weren't any bottoms. The stones are over 200 years old. There were some compound issues due to measurements. The repairs should be completed by next week. When the invoice arrives, if the work is not complete, we reserve the right to withhold payment until the work is completed.

Elections: Hillary does not plan to run for trustee again this year but would consider being an alternate. Kate said she would run.

Old Business:

Weymouth Cemetery: We have a $600 charge coming up for the surveyor which we already have a contract for and possibly more for the legal fees and deed paperwork. Sharon is going to ask Alicia if we can hold 2025 funds to cover these costs in the event the work cannot be done until 2026.

Sharon makes a motion to hold $500 from our 2025 operating budget to cover the cost of the legal fees associated with the Deed for Weymouth Cemetery, Hillary seconded the motion, all in favor.

Wreaths Across America: We have a gift card from BJs to help with getting cookies for our volunteers. We want to get a $25 Dunkins gift card for the truck driver that is bringing the

wreaths, a box of joe and a box of hot chocolate for our volunteers. One of the trustees will purchase these things and submit the receipt to the board for reimbursement.

We would like to purchase some wreaths to go towards the count for next years ceremony.

Fred motions to send $400 to Wreaths Across America after December 13 but before January 13th to purchase some wreaths for next year, Hillary seconded the motion, all in favor.

The gentleman that we paid to repair some of our cemetery fences, has arranged to pay the money back. He has a certain amount of time to pay the money back.

Highland Fence: Sharon wants to ask the trustee of trust funds if we are able to use the perpetual care funds to replace the fence.

Sharon would like to see the trees around Jackson Cemetery get cut back.

Next Meeting: Friday December 5, 2025 4pm

Hillary motions to adjourn, Fred seconded the motion, all in favor.
