The selectman has appointed 2 new alternates for us for the next 30 days. They will have to reapply in March after voting day.

Hillary makes a motion to appoint Barbara and Katie voting members for this meeting, Fred seconded all in favor.

WAA:

It was a success this year. We were able to dispose of them easily this year. The Wreaths Across America program is changing the way they are doing wreath purchasing, they are doing away with the buy 2 get 1 program. This will not apply to us this year because they are all paid for 2025.

2025 Budget:

Maintenance Contract:

Sharon and Hillary abstain from discussion and voting on this. We received 1 bid for the maintenance contract from Community Helpers Landscaping. Fred, Katie and Barbara discussed the bid. Barbara motions to accept the bid proposal as written. Fred seconded the motion all in favor.

We belong to the NHCA. It is time to renew our membership. It's \$20 per person to sign up. We are also due to apply for the NHOGA. It's \$10 per person. All 3 trustees and the 2 alternates would like to be signed up for the NHCA. The cost will be \$100. Fred makes a motion to pay the \$100 for the member Sharon seconded all in favor.

The spring seminar is on April 8th. The form to register for that will be filled out when it comes.

Next meeting: Friday March 7th at 4pm

Weymouth Cemetery:

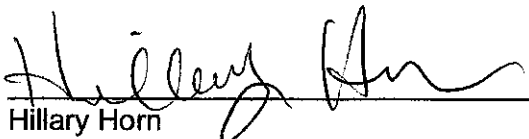

Sharon asked Fred if he could start the preliminary work to get access to Weymouth Cemetery. He said he will work on that as soon as the snow melts.
