Old Business:

Ancestry:

Sharon caught the sale and was able to get 6 months on the Ancestry database. It was $129. She is seeking reimbursement. Fred motioned to reimburse Sharon for her purchase, Barbara seconded the motion. All in favor.

Signs:

Hillary has reached out to the DOJ and Able Signs. DOJ sent a catalog to look through. We will move forward with metal for the material for longevity. Hillary will work on pricing as soon as she is able to get sizing on the current signs.

Other:

Sharon asked Legal on how to deal with Weymouth. She also reached out to Karen from land use and TA Jipson for their thoughts. There was some stuff the homeowner requested that we are unclear on. We would like to invite him to a meeting for clarification.

New Business:

Levitt Cemetery:

Sharon has had some conversations with Chick Smith. A gentleman named Scott Colebath passed then was cremated. His family buried him on the outside of the rock wall around the Cemetery. The stone is inside the wall. Chick would like to see

something done about it. Sharon is going to try to locate a family member. Sharon would like to move his stone to where he is buried. She will investigate this.

We also found out we have a Veteran in this cemetery as well named Noha Leavitt. He is a Revolutionary War Veteran. We will be added to our Veterans list for Wreaths Across America. Sharon will be going to clean stones there on Sunday at 10am.

Budget:

Budget requests are to be turned in to TA Jipson by September 15th. The current budget is $26,000. Our maintenance contract is due to go out to bid in January.
